

Think + Rethink

LANDFILL

Formerly known as TRASH or GARBAGE

Anything that can neither be composted nor recycled.

Ex: plastic cutlery and straws, film plastic, #6 plastics, including Red Solo and Starbucks cups, food soiled parts of pizza boxes, shredded paper

RECYCLE

Ex: aluminum cans, glass bottles, #1-5 plastics, unsoiled parts of pizza boxes, newspapers, cardboard

COMPOST

ALL FOOD SCRAPS (including meat, bones, eggs)

ONLY certified compostable disposables
(napkins, plates, cups, utensils, etc.)

What to compost:

Compostables are hauled by Evanston-based Collective Resource Compost Cooperative to a commercial composting facility. Home food scrap collection services are also available.
